When most people think of workplace harassment, they usually imagine behavior associated with sexual harassment because it is easily recognized as unacceptable, and it has received widespread attention in the media and the courts. But there are other forms of harassment, and some are just as serious. This program addresses the broad range of unacceptable behaviors described legally as harassment including unwelcome conduct based on race, color, sex, religion, national origin, disability, and/or age.

This editable and brandable program (PowerPoint presentation, DVD, video, or self-contained web course) dramatically increases employees' awareness of workplace harassment, all of its forms, and steps for avoidance. This is a no-fluff program. It is fast moving, practical, and memorable. All formats include a reproducible, editable handout, and test questions to engage learners. Choose any format.
